SCHOOL FACILITY RENTAL

All requests must be made a minimum of one week in advance. The Facilities Use Agreement and fees can be found at www.lapwai.org or at the District Office, located at 404 S. Main. The rental agreement will include proof of insurance

STUDENT INJURIES

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are in act of life and part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school. The school district does not provide medical insurance to automatically pay medical expenses when students are injured at school.

This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance.

SCHOOL INSURANCE(OPTIONAL)

Insurance is the responsibility of the parent; the district will not enroll students in any insurance programs or be responsible for payment of premiums. Insurance is required for students participating in sports; however some health plans may cover children for school activities, including football. For students/parents interested in school insurance we have partnered with Special Markets Insurance Consultants (SMIC), which can be accessed online at www.specialmarkets.com.

SCHOOL LUNCH

Lapwai Schools is fortunate to continue to offer the Provision 2 Breakfast and Lunch Program. It is a FREE breakfast and lunch program for ALL students district wide. Please encourage your child to utilize this program. Adults are welcome for lunch and the cost is \$4.00 per meal. For more information regarding the program, parents may contact Ann Munstermann, Food Service Supervisor at 208 843- 2241

VOLUNTEER PROCEDURE

Lapwai Schools welcome volunteers to assist with instructional activities. Volunteers should contact the principal at the respective school they would like to assist. Board policy requires approval of all volunteers. Conditional approval may be obtained from the principal or superintendent. Volunteers will be required to undergo a fingerprint and background check through the Idaho Dept. of Education.

FAMILY EDUCATION RIGHTS PRIVACY ACT

STUDENT DIRECTORY INFORMATION

At times during the school year legitimate requests are made by agencies such as parent groups or armed forces to obtain lists of student's names and addresses. By law schools need to comply with these requests. However, individuals have the right to withhold the information. If you do not want the school to release your child's name and address, please contact your children's school principal. This must be done annually.

ASBESTOS

All asbestos-containing materials in buildings owned and/or operated by the Lapwai School District are in good condition and will continue to be managed in-place as recommended by the accredited AHERA Management Planner. Each school has their perspective AHERA Management Plans located in their administrative offices.

Everyone is welcome to view this plan during normal school hours, Monday through Friday 8:00 a.m. - 3:30 p.m. The AHERA Designated person, Alan White is available to answer questions you may have in our buildings at 208-843-2681.

CHILD FIND

The Lapwai School District would like to take this opportunity to notify our community of Child Find activities. We would like to ensure all children receive the services they need. The school district has a special education screening program to identify and screen all children with suspected disabilities who are residents of the district and who have not graduated from high school. Upon request the school district will screen any resident child who has not graduated high school to determine whether a special education referral is appropriate. When school staff reasonably believes a child is a child with a disability, they refer the child for evaluation by a school district Individualized Education Program (IEP) team.

In addition, if you have a child between the ages of 3-5 the Lapwai School District and Nez Perce Tribe Head Start Program will be providing joint developmental screening in September. Each child's motor, communication, and social skills are observed at various play areas. Each child's hearing is checked and information is provided on vision assessments. The information is used to provide the parent with a profile of their child's current development and to provide suggestions for follow-up activities. The information from the screening is also used to determine whether a child should be evaluated for a suspected disability.

A physician, nurse, psychologist, social worker or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to report the child to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

A referral of a child residing in the Lapwai School District may be sent to Lori Ravet, Special Education Director/School Psychologist at 404 South Main Street, Lapwai, Idaho 83540, or by email

lravet@lapwai.org, or by phone 208-843-2960. Any information you provide regarding a child will be confidential as required by local, state, and federal law
