

## Lapwai School District

### Blended Learning and Educational Options

*Relationships Before Rigor - Grace Before Grades - Safety Above All*

#### Revisions to ensure alignment with the current Modified Stage 2 orders in Idaho:

##### Idaho: Modified Stage 2

Although Idaho returned to a Modified Stage 2 on November 13<sup>th</sup>, the restrictions on gatherings do not include students taught by an educator in a school setting. The rigorous Lapwai School District Health and Safety Protocols have prevented transmission contract tracing back to the instructional day. Groups that exceed 10 will include the greatest social distancing possible.

##### Registration

**In order for your child to qualify for the educational options described below, please register immediately.** You are welcome to register in person at the school or access the online registration link and directions at [www.Lapwai.org](http://www.Lapwai.org)

##### Stage 2 Alternate Scheduling

Morning and afternoon scheduled groups will continue until otherwise notified including specific groups and individual students targeted for full-day learning. Remote/online learning components will be provided for the portion of the day a student is not in school.

| Morning Group A<br>Monday-Thursday         | Afternoon Group B<br>Monday-Thursday       |
|--|--|
| <b>Elementary:</b> 8:00 a.m.- 11:23 a.m.   | <b>Elementary:</b> 12:15 p.m. - 3:20 p.m.  |
| <b>Middle-High:</b> 8:00 a.m. - 11:12 a.m. | <b>Middle-High:</b> 12:22 p.m. - 3:25 p.m. |

Transportation will be provided to all instructional groups already residing on a bus route.

Consultation with health officials will continue to inform our approach. A remote learning option will remain in place for families.

##### Remote Learning Only Option Provided by Both Schools

A remote learning only option from home will be provided by both schools. This includes teacher directed instruction through a combination of computer-based learning and other engagement strategies for the home. Logging in at scheduled times, engaging in the work, and submitting assignments regularly will be required and recorded as school attendance. Failure to maintain these expectations will count as school absences. **Again, registration is required immediately in order to qualify for this option.**

##### Technology Access Outside of School

The district plans to create learning hubs in the community where connectivity and devices are provided with appropriate social distancing, supervision, and support. Families with barriers to attending learning hubs may contact their school for other connectivity options. Additional details regarding learning hubs to follow.

##### Lapwai Elementary In-Person Instruction

Specific grades and individual students may be targeted for full day learning to support reading at grade level and ensure the school continues to close the achievement gap. See also the Remote Learning Only Option above.

## Lapwai Middle-High School 4-week Condensed Credit Plan

During Stage 2, middle-high school credit opportunities will be condensed into targeted in-depth teaching, accelerating the learning path of each student.

Students who select the remote learning only option will be registered in an online course to be completed from home. They will be connected with the online learning coordinator, Genny Brown, who will register them in either an Edmentum or IDLA online course for credit. **Again, registration is required immediately in order to qualify for this option.**

### Masks Required

It is currently required for all students, staff and parent visitors to wear face masks. Exemptions and the use of face shields without a mask will require a written physician, nurse practitioner, or mental health professional excuse. Exemptions may also be identified in an IEP or 504.

### Health and Safety Protocols

Our full Health and Safety Protocols can be accessed on the district website at [www.Lapwai.org](http://www.Lapwai.org)
