

EDUCATIONAL PROGRAM
Series 600

Policy Title: SUMMER SCHOOL

Code: 602.3

Whenever funding permits, the board may authorize the superintendent to provide for summer programs.

A summer driver's education course is authorized, if practical, to meet the needs of the students. This course will meet the minimum requirements of the State Department of Education.

Arrangements for other summer programs and for adult education programs are to be made through the superintendent when in the best interest of the school and community.

Date of Adoption:
