

Idaho School Benefit Trust

EMPLOYEE BENEFITS

A new prescription drug savings program from ScriptSourcing is available to active members enrolled on a Blue Cross of Idaho Medical Plan through the ISBT.

What is ScriptSourcing?

This no-obligation program designed just for employers provides certain brand-name maintenance medications from "Tier One" Countries, at absolutely no cost to you.

What is a "Tier-One" Country?

Tier One Countries include: Canada, U.K., Australia and New Zealand who negotiate directly with the pharmaceutical manufacturers of your medication.

U.S. consumers pay up to 16x more than other countries for the exact same medication.

\$0 RX COPAY

INTERNATIONAL MAIL-ORDER RX

- **90-day supply of medication shipped directly to your home for \$0.**
- **If you are currently taking a qualified medication - a ScriptSourcing member advocate will be contacting you regarding this voluntary program. (Area Code: 410)**
- **To learn more, search for medications, or schedule a 5-minute phone call, go to: scriptsourcing.com/enroll**

In order to enroll, you must speak to a member advocate at ScriptSourcing.
