Thank you to those students and their families who have made regular and punctual attendance a priority this year. Our fall and winter attendance campaigns were a huge success. We decided to keep the momentum going with more incentives. For our next contest, students with perfect attendance through spring break will automatically be entered to win an iPod Touch valued at \$229. Parents, if your student wins, you automatically win a \$100 Walmart gift card too. There will be an elementary and middle-high school winner for the drawing. Parents, please schedule appointments after school hours whenever possible, such as Friday afternoons during early release. Despite early release each Friday, these days will remain crucial to your child's education. Absences on Fridays will not only impact our funding, these students will be at a disadvantage and behind in their learning. Please continue to join us in this effort to ensure all students reach their full potential. The next contest window includes:
