Middle-High School:
Next Year's 6th Grade Class
Were Introduced to Their
New School This Week!**

Ms. Grunenfelder put together a plan for our 5th grade students to visit the Middle School on Tuesday. She did a bang-up job of getting our students through the building, getting information out to them and answering questions and concerns in a way that all students' needs were met and engagement was optimal. We split into small groups with a HS senior or leadership student leading each group, and many of the MS/HS staff participated in this event, to introduce themselves and the MS/HS expectations to our 5th graders. It was a great morning, and I heard very positive feedback from the staff who attended. Thanks Ashlee for your hard work in planning and running this event, and for taking the lead to make it so successful! - *Mrs. Bateman*

Thank You Mrs. Baldwin for Sharing Pictures &
Mrs. Bateman for Sharing Celebrations!

Nez Perce Cultural Principle:
Community Orientation

Welcome to Middle School!

This group of MS/HS staff sacrificed their morning to talk to 8 different groups of 5th grade students about our MS/HS expectations, about the class or subject they teach or supervise, and welcome them as they prepare for 6th grade next year. It was an awesome opportunity for our 5th graders to get a glimpse of Middle School life and decrease their anxieties for next year. THANK YOU ALL SO MUCH for your time with our students today. It was a great morning! - Mrs. Bateman

2ND ANNUAL MARBALE RUN EXPO

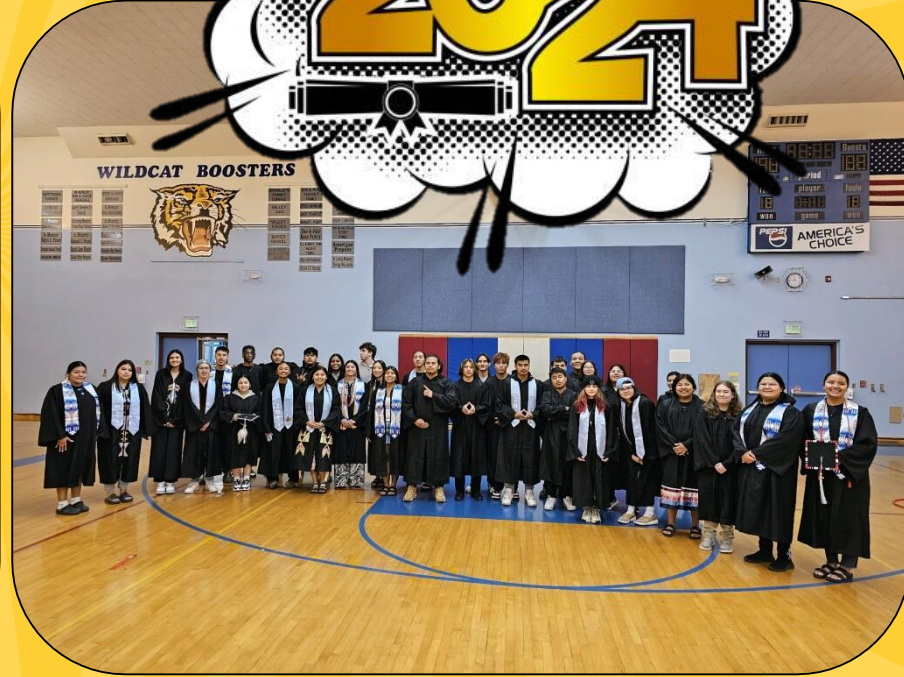

Thank You Mrs. Hansen
for Sharing the Video!

This is the 2nd Annual Marble Run Expo. Students 1st grade to 5th grade, team up to create elaborate marble runs. They have 15 minutes to complete it and it requires a lot of collaboration, communication, planning, and problem solving. Well done, to all the participants!!

- Mrs. Hansen
