Wildcat Roar!

What gets recognized, gets repeated.
What gets celebrated, becomes a habit.

Please join us in celebrating
Attendance Clerk, LaTasha Dishion,
for coordinating these celebrations!

Congratulations to Ms. Calkins' 2nd Grade Wildcat Scholars for achieving a Wildcat Roar Celebration! Each day an elementary class has everyone in attendance and on time, they receive a Wildcat Roar Card. Once the class achieves 10 cards, they earn the celebration of their choice. This system of celebrating success is an action plan created by the Superintendent's Faculty Cabinet. This team benefits from the generous support of Local Education Program Funds from the Nez Perce Tribe. Please join us in thanking them for making these rewards possible!

Wildcat Roar!

A Wildcat thank you to Mr. Peterson for encouraging regular and punctual school attendance. The Wildcat Scholars in his Economics class set an attendance goal and achieved their target. Mr. Peterson celebrated their success with ice cream sundae delivery by the Superintendent this week. Nice work Mr. Peterson!

School Attendance Matters

Health Experiential Learning

Mrs. Melton's health scholars have been engaged in experiential learning. The students were given the opportunity to become certified in CPR. They also visited Lewis-Clark State College with a presentation from Titus Yearout, a Lapwai High School Graduate. Titus shared his experiences in college preparation, the daily schedule of a student athlete, and balancing life while focusing on your studies. They also attended a human anatomy presentation from Dr. Dan Rudolph where they assembled a skeleton in teams. The day included an opportunity to play 9 holes of disc golf and a couple games of pickleball.
